SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT  
UNDER 37 CFR § 1.97(e)

Applicant hereby submits copies of patents, publications and/or other information of which he is aware and which may be related to the examination of this application, and in respect of which there may be a duty to disclose under 37 CFR § 1.56 and §§ 1.97-1.98, as supplemented by MPEP §609. A list of all enclosed documents is provided in a Form PTO-1449, transmitted herewith. Presentation of documents listed on enclosed Form PTO-1449 is not an admission that any listed document is prior art under the Patent Statutes and the right is reserved to antedate any material described in the listed documents by a showing under 37 C.F.R. § 1.131 or otherwise.

This Information Disclosure Statement is being filed (a) within three months of the mailing date of an International Search Report (mailed on 06/06/02) in counterpart application no. PCT/US01/46310, a copy of which is enclosed herewith for Examiner's convenience, and (b) prior to mailing of the first office action on the merits. Accordingly, no fee is believed payable; however, if it is determined that a fee is payable, please charge Deposit Account No. 19-1025.

All of the documents cited in the International Search Report are placed in Category A indicating that they are documents defining the general state of the art which are not considered to be of particular relevance. For Examiner's convenience, Document A27, an English language family member of DE 34 07 608 listed in the International Search Report, is provided herewith.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR §1.97(g)), an admission that the information cited is or is considered to be material to patentability, or that no other material information exists. Applicant respectfully requests that this statement be considered by the Office in the course of prosecution of the application.

Respectfully submitted,
